Summary

Having grown up in retail & customer service since the age of Fourteen, it has shaped myself as a person and my skill set, I believe I have a passion and drive:

- # Six years as a retail manager with a keen knowledge and feel for the retail sector
- # Motivational personality to drive task and projects to completion within set timeframes
- # Driven to succeed and surpass the expectation of myself and anything I do
- # Sociable and able to build and maintain industry contacts

Having been in constant employment for fourteen years I feel I have accomplished all I can if I am to grow my knowledge and skillset in the industry I feel I must present myself with new challenges to overcome. Therefore, I have chosen to return to education to further my career opportunities.
